Data Source: Random sample from Broward County, Florida records from 2013 and 2014, based on data acquisition and analysis by ProPublica

Names: _____

1. Is Judge A more accurate than Judge B? Explain your reasoning.

2. Write a list of rules to predict whether a defendant recidivated.

Example:

If forecast = "Rain" and temperature < 50 then predict game_canceled = "Yes"

If forecast = "Thunderstorm" then predict game_canceled = "Yes"

Otherwise predict game_canceled = "No"
